#SilvertownTunnel

Sadiq Khan's £2.2bn Silvertown Tunnel
motorway under the Thames between Greenwich Peninsula and Newham

- **New tolls to use the Blackwall Tunnel so crossing the river will not be free**
- **More traffic and more jams through Greenwich, Newham and Lewisham**
- **More and bigger HGVs diverting from the Dartford Crossing past our homes and schools**
- **Worse air pollution**
- **Higher carbon emissions**
- **No money left for the Bakerloo extension, or extensions of the DLR**
- **Five years of construction delays at the Blackwall Tunnel**
- **20 lanes of traffic to cross for residents living near the tunnel mouths**
- **Still no way for bikes, cargo bikes, or pedestrians to cross the river at Blackwall**
