

Silvertown Tunnel

@Silvertowntn #NoHGVtunnel #RepurposeTheTunnel

The Mayor's £2.2bn Silvertown Tunnel means:

- > A new four-lane motorway under the Thames between the Peninsula and Newham**
- > New tolls to use the Blackwall Tunnel**
- > More traffic and more jams through Greenwich Newham and Lewisham**
- > More and bigger HGVs diverting from Dartford Crossing past our homes and schools**
- > Worse air pollution**
- > Higher carbon emissions**
- > No money left for the Bakerloo extension, or extensions of the DLR**
- > 5 Years of construction delays at the Blackwall Tunnel**
- > 20 lanes of traffic to cross for residents living near the tunnel mouths**
- > Still no way for bikes, cargo bikes, or pedestrians to cross the river at Blackwall**
